Product description

SMARTBALL UNO, for lovers of smaller scales.

SMARTBALL UNO is the easy-to-use kegel training device for a strengthened pelvic floor thats especially beneficial for beginners, as well as for women with uterine conditions. Inserted like a tampon, the SMARTBALL UNO can hardly be felt when worn. Through the constant yet quiet rotation of the inner balls, with everyday movements, muscle contractions are induced, which strengthen the pelvic floor. Short, regular training sessions lead to the best results and improvements. After successful workouts with the SMARTBALL UNO, we recommend advance training by switching to the SMARTBALLS DUO.

This smartball makes it possible to train your pelvic floor muscles in a fun way. Everyday activities suffice for the SMARTBALL UNO to teach the inner musculature to detect movement, thereby strengthening the pelvic floor.

Vaginal ball SMARTBALL UNO with one ball is perfect for beginners and for women with a prolapsed or tilted uterus and who want to train their pelvic floor muscles in a fun way. Muscles that are in shape lead to more sensation during sex and climaxes after the training!

The extremely smooth running of the SMARTBALL UNO as well as the steady and fast rotation of the inner ball is made

possible by innovative technology. An ergonomically formed finger hollow eases insertion. A woman can go about her everyday activities without any bother and still be training diligently. The SMARTBALL is inserted lengthwise into the vagina with a drop of TOYFLUID, the retrieval band remains outside the body.

Some may think its too bad that using SMARTBALL UNO doesnt create an orgasm. But sexual experiences after the training are even more sensuous and passionate. A woman feels sensation more intensely during sex. And for the man its a good feeling to be held more snugly. So best start your training today!
