Product description

SMARTBALLS DUO, Training for experts.

SMARTBALLS DUO is the easy-to-use training partner for those who have already trained with the SMARTBALLS UNO or who already naturally have a stable pelvic floor. Especially suited for experienced users. Inserted like a tampon, the SMARTBALLS DUO adapts to the body and can barely be felt when worn. The constant and nearly soundless rotation of the inner balls works with everyday movements to set off muscles contractions thereby strengthening the pelvic floor. Short, regular training phases lead to the most effective improvements. As with any muscle group, the fitness gained goes away if training is discontinued so even after a successful stabilization of the pelvic floor, SMARTBALLS should be continuously used for maximum results.

- Pelvic floor training device features two velvety soft silicone-covered weighted balls.
- Designed for advanced users.
- Perfect for increasing strengthening exercises for the pelvic floor after SMARTBALLS UNO use.
- Designed for easy vaginal insertion Designed with female anatomy in mind, SMARTBALLS can barely be felt when worn.
- Not suitable for women with a dropped or tilted uterus or for those who have undergone a hysterectomy.
- The rotation of the inner balls stimulates and strengthens the pelvic floor muscles even during the most simple daily movements.
- Short but regular periods of use will produce the best results.
- Prevents stress incontinence and uterine conditions.
- Increases sensitivity for greater sensation during sex for HER and HIM!.

- Widen your sexual horizon with FUN FACTORYs informative SMARTBALLS-booklet: 55 facts of SMARTBALLS!.

These SMARTBALLS make it possible to train your pelvic floor muscles in a fun way. Everyday activities suffice for the SMARTBALLS DUO to teach the inner musculature to react to movement, thereby strengthening the pelvic floor. Vaginal balls SMARTBALLS DUO with two balls are excellent for those women who have already successfully trained with SMARTBALL UNO. Muscles that are in shape lead to more sensation during sex and climaxes after the training! The extremely smooth running of the SMARTBALLS DUO as well as the steady and fast rotation of the inner balls are made possible by an innovative technology. An ergonomically formed finger hollow eases insertion. A woman can go about her everyday activities without any bother and still be training diligently. The SMARTBALLS are inserted lengthwise into the vagina with a drop of TOYFLUID, the retrieval band remains outside the body. Some may think its too bad that using SMARTBALLS doesnt create an orgasm. But

sexual experiences after the training are even more sensuous and passionate. A woman feels sensation more intensely during sex. And for the man its a good feeling to be held more snugly. So best starting your training today!

Kegel Guide

Benefits of Kegel Training

Stronger pelvic floor muscles improve bladder control, enhance sexual sensation (for both partners), and speed postpartum recovery.

Most users notice improvements within 4-6 weeks of regular (daily) use.
