Product description

The STRONIC SURF boasts a unique, textured design that will take you on a whole new pleasure journey. Rhythmic back-and-forth thrusting movements imitate real life and provide lifelike sensations with every pulse. And you can choose from 7 speeds and 3 exciting rhythms to match your exact vibe. Whether you want powerful, pulsating sensations or realistic, rhythmic thrusts, the choice is yours. Each setting brings new sensations that let you feel the pulse of your pleasure.

Be playful: Made for hands-free FUN
Thanks to the unique design, you can also use the toy hands-free, almost as if someone is controlling the STRONIC SURF for you. The curved, ergonomic tip targets your G-spot, taking you closer to the peak with every movement. With a length of 7.87 inches, this pulsator is perfect for both experienced users and beginners ready to explore new sensations and enjoy the sensual wave texture to the fullest.

Enjoy intense climaxes, anytime, anywhere
Not only is the STRONIC SURF versatile, it’s also practical – waterproof (IPX7) and rechargeable via USB-C for spontaneous, exciting moments in the tub, shower, or on the go. The body-friendly silicone ensures smooth insertion, allowing you to experience the full intensity of the realistic thrusts. Remember to always use a water-based lube for an even more intense and comfortable experience, backed by FUN FACTORY’s 25-year warranty. The STRONIC SURF, because life’s too short for average orgasms!
