Product description

Pleasant rechargeable G-spot vibrator, George is a massager perfectly designed for the complete stimulation of the G-spot.

Despite his dangerously handsome appearance, GEORGE is very docile. With the ergonomic head that stimulates the G-spot wildly and the technology. With the exciting step-by-step introduction, this G-spot vibrator awakens a predatory instinct in women and men. GEROGE's curved tip perfectly stimulates a woman's G-spot or a man's P-spot, the prostate.

Flexible and agile like a feline, the silicone structure adapts perfectly to your body thanks to its exclusive G-SPOT technology, facilitating its use in different positions and reaching hidden corners of pleasure with real emphasis.

The certified hypoallergenic medical grade silicone stands out for its silky touch and its excellent gliding capacity. So that you can enjoy your new friend for a long time, it is recommended that you use a water-based lubricant waterfeel in your wettest games. This way you protect the material and the surface stays silky. You can wash your toy very easily with mild soap and water. For a more thorough hygiene, also use a special disinfectant cleaner for sex toys such as Waterfeel or Nina kiki toy cleaner.

Specific to your country and if in doubt, ask your dealer about disposal options.

Content

Opening a box of G-SPOT products is exclusive. Satisfaction is our goal, so we have taken care of every detail.

- george
- Charger

The G-spot is not the only thing that can bring a woman to orgasm. ... The exact location of the G-spot varies depending on each woman, but most of them conclude that the area where they feel the most pleasure is the front vaginal wall. Specifically, between 5 and 8 centimeters inside the vagina
