Product description

Gpop² It is an anatomical unisex vibrator with a new powerful motor.

A mass culture sex-toy designed taking into account the anatomy of both members of the couple. It can be used as a vaginal or anal vibrator. Its head gently penetrates anywhere and its thin base does not stretch the sphincter.

A slightly curved body with a protruding pad will encourage both the P point and the G point. Thanks to its soft silicone coating, it is soft and very comfortable to use. Its controls are intuitive and it is completely waterproof.

FEATURES:
