Product description

The Revolutionary Bioskin material™ Gvibe feels and responds like meat. It's almost impossible to believe how realistic the material of this sex toy really is. We reached a new level in the evolution of massager materials when we created "BIOSKIN". It is as close as possible to the human body.

Not only is it possibly better than the real thing, the G real mini is an environmentally safe, hypoallergenic and premium vaginal vibrator.

Enjoy BIOSKIN™ medical grade silicone. 100% waterproof and realistic for the body: Gvibe G-real mini is perfect for playing in the bathtub, shower or jacuzzi. This G-spot vibrator is excellent for vaginal stimulation or anal vibration. You've found a sex toy that works for men, women, or any gender and can be used for internal and external clitoral stimulation as well. With its convenient magnetic charger, it's easy to be ready for realistic sensation, deep vibration and satisfying penetration with G real mini.

Designed in London.
