ESSENTIAL TOYS FOR COUPLES.

GALATEA brand sex toys are designed especially for couples who want to include an extra something to foreplay or to sex itself. Galatea is for all those couples who want to make the most of the exciting adventures they share in the bedroom and who want to reach climax by sharing pleasure simultaneously. Galatea will be the perfect excuse for couples who want to share their intimate moments doing Galasex without discomfort or inhibitions.

POWERFUL MASSAGERS.

The new Galatea products combine deep and silent vibrations with a studied aesthetic that does not intimidate. The modern designs will surely capture the attention and hearts of any user who has a Galatea in their life.

COMPATIBLE WITH WATCHME TECHNOLOGY

WHY USE WATCHME TECHNOLOGY?

We give you reasons why we are here, and why we launch a brand for everyone and all lifestyles.

Day after day, we've put everything we know into our products. WATCHME is born from the philosophy of life, joy, sex and complicity. All our knowledge, skills and experience. Our name says it all: WATCHME is synonymous with high-quality toys that keep you coming back... coming back for more. To make that happen, we are always trying new things. We learn, innovate and research new techniques every day. Creating a new engine or program is about finding the right stimulation to suit any mood, hotspot, or body in ways that speak for themselves.

We love our work that's why you should know that WATCHME is assembled in Seville. love and attention to assemble the final product that ends up in your hands. All the processes, the design work, the equipment, the manufacturing and the positioning, we do it all here in one place because it's our goal, because we love creating our toys and we hope you love them as much as we do.

The new GALATEA products include WATCHME watch technology, (Watch not included). But what is this technology?

It is a sexual smart watch that will help you control GALATEA sex toys. We can synchronize them with sex toys that use watchme technology to control the vibrations and functions of our sex toy.

Functions of a WATCHME watch

In a WATCHME watch there are some outstanding functions that we will detail:

- Activate/Deactivate vibration.
- Modify vibration modes
- Modify the intensities in each vibration mode.
- But are WEARWATCH toys waterproof?

Yes, of course, it is waterproof and will be your perfect companion both in a romantic hot tub and under the comfortable sheets at home. The underwater vibrations of this fun companion are perceived by many couples as particularly intense.

Dante, a new level awaits you! Its delicate but resistant silicone body transmits the vibrating waves of the motor in all directions and you get exciting sensations. Reach orgasm with its incredible 10 vibration patterns, under a silent and powerful motor controlled by an easy-to-control backlit panel.
