Product description

You have no excuses, with HAPPY LOKY you will be happier! HAPPY LOKY's new collection of toys rock thanks to their powerful low-frequency motors. Silky smooth silicone enhances the youthful design of a toy that always leaves you wanting more.

Enjoy triple stimulation: anal, vaginal and clitoral. The perfect toy for strong emotions lovers. The DONALD TRIPLE STIMULATION ANAL, G-SPOT & CLITORAL range is the most complete and unique premium masturbator on the market. It incorporates a set of functions never seen before in a vibrator: G-spot stimulation thanks to its base of soft rotating pearls, penetration through the amazing "up & down" thruster function, anal stimulation by vibrating balls, clitoral stimulation thanks to its incredible "rabbit" and, in addition, it is compatible with the new Watchme remote control technology.

Features:

- 10 vibration modes
- 4 rotating speeds
- Rotating pearls
- Vibrating anal beads (from 1.5 cm to 2.5 cm)
- Movement "up and down" thruster
