Product description

The Panty vibe Remote control is a powerful small massager combined with a discreet and fun controller for adventurers looking for pleasure.

The elegant and discreet controller makes it easy for you or your lover to control the intensity of the vibration at the touch of a button. Whenever or wherever passion takes you, the 9 meter radius range of this passionate panty vibrator and 12 intense vibration functions are ready for the game.

Use the discrete controller or the button on the back of the panty to go through 10 vibration functions for a lot of intensities and patterns to choose from. Whether you choose to keep control or leave pleasure in your partner's hand, this powerful Panty vibe will surely give you a feeling of trembling in your knees.

From beginners who blush to erotic experts, this happy bullet adds versatile vibes to any toy box.

Recharge your passion in less than 1 hour with the USB cable provided for up to 90 minutes of low speed vibration or 50 minutes of high intensity stimulation.

Put the vibrator on the bottom and unleash the passion!
