Product description

Enhance pleasure and prolong passion with the multisensory penis ring, an accessory designed to intensify sensations for both him and his partner. With a modern, ergonomic, and powerful design, this ring combines vibration, support, and simultaneous stimulation, making it a must-have for your most intimate moments.

Made with high-quality medical-grade silicone and ABS, the Ibiza ring offers an ultra-soft, elastic, and body-safe texture, guaranteeing a comfortable and pleasurable experience. Its snug design helps maintain an erection for longer, while the vibrations intensely stimulate the most sensitive areas.

With 10 vibration modes, you can choose from different rhythms and intensities to personalize the experience to your liking. From gentle vibrations to intense pulsations, it allows you to explore pleasure progressively and in a controlled way. Plus, it's waterproof, so you can enjoy it in the shower or bath, expanding the possibilities for play. Its magnetic charging makes it easy and safe, preventing moisture from entering and ensuring greater durability.
