Let's talk about the new brand of Sex Toys Ibiza.

Shall we add a touch of emotion to the Ibizan inspiration? Ibiza represents new experiences, the care of every detail, every shape, the strength of its engines, and its excellent touch.

Ibiza is made up The brand is made up of a total of ten exclusive toys, each one with special functions that will make your store shine, drawing attention in an unparalleled way thanks to its exclusive presentation.

All toys are made of premium quality super soft hypoallergenic silicone, silky in every curve and texture, very easy to clean and with an unbeatable touch. This is rated as the best material for use in sex toys thanks to its easy lubrication, durability

and of course, luxurious and excellent appearance.

In addition to silicone, they are accompanied by a detail in pearl gold, culminating in the excellence of elegance, being the best purchase option for a beautiful and luxurious detail between couples or special companions. Ten exclusive toys, each one of them with special functions that will make your business shine, drawing attention in an unparalleled way thanks to its exclusive presentation.

If we talk about comfort in transport and discretion, Ibiza begins by innovating, since we also consider that it is a very important part of the experience of buying an erotic toy. When you buy a toy from Ibiza, you will receive a premium box with a black transport bag inside, where you will find the toy, a charger and a single-dose sachet of Waterfeel Neutral lubricant so that the customer's first experience is as pleasant as possible, and being able to take the toy discreetly wherever you want.

"When pleasure is a matter of two, everything improves." Ibiza has toys specially designed for your enjoyment as a couple, and can be used in games for both him and her, as well as pegging, or the use of remote control eggs that discreetly stimulate the G-spot of the woman, being able to use it on a special appointment, regardless of the place.

Our ultimate goal with this range of luxury toys is to make everyone who has one of them feel special, having patiently studied what the end customer needs to satisfy all their needs and taking care of every detail to make it the best gift they can get. make someone special

For this reason, we present Ibiza, to distinguish luxury, give shape and personality to sex as never before thought, so that preliminary play becomes something necessary within couples, and to make masturbation a great moment, marking the difference in a pleasure experience.

Why choose Ibiza material?

MATERIALS AND CARE

All Ibiza toys are made from silky-smooth medical grade silicone, which is extremely slippery and quickly absorbs your body heat. The toy can be easily cleaned with warm water and a little soap. With a little disinfectant toy cleaner, you can ensure particularly thorough hygiene - ideally with the perfectly coordinated disinfectant spray from Waterfeel or Intimichic. For maximum smooth pleasure, always use your toy with one of the Waterfeel water-based lubricants that are perfectly matched to the product.
