Product description

The **IBIZA** remote control silicone vibrating harness with clitorial pulsing prepares you for pure pleasure during sexual intercourse. With the elegant black and gold finish, it is completely impossible to resist the temptation for long. The stimulating strap-on is powered by 3 powerful motors inside. So you can combine up to 1,000 different vibration modes, turning it from gentle to stormy as you need.

The special thing about this pleasure carrier is that it can be worn as a belt without any harness. To do this, insert the shorter, curved end, which not only ensures a firm hold, but also an intensive massage of the G-spot. Both partners in the erotic game have maximum fun and can look forward to intimate moments.

IBIZA REMOTE CONTROL STRAPPLES VIBRATOR Stands out for its iconic design, the Strapples combines elegance and modernity.

The full power of its 3 independent motors, the intuitive remote control, combined with the elegance of its lines, make Strapples the perfect accessory to enjoy, alone or in company, a multisensory orgasm.

Suddenly, more than one wish: to take control of the game with the remote control and activate the field of possibilities that Strapples offers you to savor all the alternatives and enjoy various senses, again and again!

Straples arouses curiosity and invites you on a transorgasmic journey that combines ease of use and explosive sensations.

But what can this innovative Toy really bring you? Sucker + Harness + G-spot stimulation.

Let's talk about the new brand of Sex Toys Ibiza.

Shall we add a touch of emotion to the Ibizan inspiration? Ibiza represents new experiences, the care of every detail, every shape, the strength of its engines, and its excellent touch.

Ibiza is made up The brand is made up of a total of ten exclusive toys, each one of them with special functions that will make your store shine, attracting attention in an unparalleled way thanks to its exclusive presentation.

All toys are made with premium quality super soft hypoallergenic silicone, silky in every curve and texture, very easy to clean and with an unbeatable touch. This is rated as the best material for use in sex toys thanks to its easy lubrication, durability, and of course, luxurious and great looking.

In addition to silicone, they are accompanied by a pearl gold detail, culminating in the excellence of elegance, being the best purchase option for a beautiful and luxurious detail between couples or special companions. Ten exclusive toys, each one with special functions that will make your business shine, attracting attention in an unparalleled way thanks to its exclusive presentation.

If we talk about comfort in transport and discretion, Ibiza begins by innovating, since we also consider that it is a very important part of the experience of buying an erotic toy. When buying a toy from Ibiza, you will receive a premium box with a black carrying bag inside, where you will find the toy, a charger and a single-dose Waterfeel Neutral lubricant sachet so that the customer's first experience is as pleasant as possible, and being able to take the toy discreetly wherever you want.

?When pleasure is a matter of two, everything improves?. Ibiza has toys specially designed for your enjoyment as a couple, which can be used in games for both him and her, as well as the practice of pegging, or the use of remote control eggs that discreetly stimulate the G-spot of the woman, being able to use it on a special date, no matter the place.

Our ultimate goal with this range of luxury toys is to make everyone who has one of them feel special, having patiently studied what the end customer needs to satisfy all their needs and taking maximum care of every detail so that it is the best gift you can have. make someone special

For this reason, we present Ibiza, to distinguish luxury, give form and personality to sex as never before thought, so that foreplay becomes something necessary within couples, and to make masturbation a great moment, marking the difference in a pleasure experience.

Why choose Ibiza material?

MATERIALS AND CARE

All Ibiza toys are made of silky-smooth medical grade silicone, which is extremely slippery and quickly absorbs your body heat. The toy can be easily cleaned with warm water and a little soap. With a little disinfectant toy cleaner, you can ensure particularly thorough hygiene, ideally with the perfectly coordinated disinfectant spray from Waterfeel or Intimichic. For maximum smooth pleasure, always use your toy with one of the Waterfeel water-based lubricants that are perfectly matched to the product.
