Product description

Explore new dimensions of pleasure with the IBIZA Rotating Clitoral Stimulator and Vibrator with Biting Effect. This revolutionary device has been designed to provide an unparalleled stimulation experience, combining advanced technology with an ergonomic and versatile structure. Equipped with 3 powerful motors, this vibrator not only stimulates the clitoris, but also offers intense biting, rotating, and enveloping vibration.

Ideal for those looking for intense, multiple stimulation, this vibrator adapts to your desires and takes you to new heights of pleasure.

Highlighted Features:

- 3 Powerful Motors: The Vibrator and Clitoral Stimulator with Biting and Rotating Effect has three high-powered motors that offer a complete stimulation experience. Each motor is Strategically placed to work on different areas and provide simultaneous stimulation, ensuring you an immersive satisfaction. The central motor offers intense vibrations, while the other motors take care of the biting effect and rotation.
- USB Rechargeable: Forget about batteries and enjoy the convenience of a fast and efficient charge. This vibrator is completely USB rechargeable, ensuring that it is always ready to use with just a few hours of charging. Its rechargeable system is convenient, environmentally friendly and ensures continuous performance during your most intense moments of pleasure.
- 10 Vibration Modes: With 10 different vibration modes, you can experience a wide range of sensations, from soft and delicate to intense and pulsating. Each mode offers a variation in the intensity and rhythm of the vibrations, allowing you to explore and enjoy different types of stimulation, adapting to your most intimate desires.
- 6 Oscillation Modes: In addition to the vibrations, the vibrator has 6 oscillation modes, which generate an oscillating movement that adds to the stimulation and creates an additional sensation of pleasure. Whether gentle or intense, you'll be able to choose the type of oscillation that best suits your desire.
- 7 Biting Modes: One of the most innovative features of this vibrator is the biting effect, with 7 biting modes that mimic a sucking and pressure sensation on the clitoral area. These modes provide unique stimulation, much like a light bite, elevating the pleasure experience to more realistic and exciting levels.
- Silicone and ABS Material: Made with medical grade silicone and ABS, this vibrator is completely body safe. Soft, flexible silicone provides a pleasant and comfortable feel against the skin, while ABS ensures the product's durability and strength. This material is hypoallergenic, non-porous and easy to clean, ensuring a safe and enjoyable experience every time.
- IPX5 Waterproof: The Vibrator and Clitoral Stimulator with Biting and Rotating Effect has an IPX5 rating, making it resistant to water splashes. This means that you can use it in the shower, in the bathtub or in any humid environment without worrying about damaging it. In addition, its water resistance makes it easy to clean after use, ensuring optimal hygiene.

The **IBIZA** Vibrator and Clitoral Stimulator with Biting and Rotating Effect is an ideal option for those looking for intense and varied stimulation. With its 3 powerful motors, 10 vibration modes, 6 oscillation modes, and 7 biting modes, this vibrator provides a multifaceted experience that does not skimp on sensations. Its ergonomic design, high-quality material, and water resistance make it the perfect choice for those looking for intense stimulation.
