Product description

Elegant and simple, glass is a unique material in the world adapted to intimate hygiene.

Perfect for anal play, this luxurious glass plug features a tapered tip for easy insertion, bulbs that provide extra sensation, and a narrow neck that allows your muscles to wrap around and hold the plug.

Skillfully curved for P-spot stimulation, this plug guarantees the most explosive orgasms.

- 100% Phthalate-Free.

The ring at the base ensures it can't slip too far inside, and offers safe and easy removal.

Glass is Hypoallergenic and body safe, and when used properly will last a lifetime. We recommend wetting it with warm water or placing it in the microwave for a warmer sensation.

You can also cool it with cold water or place it in the freezer for a cooling sensation.

Since glass is non-porous, cleaning is very easy.

- Use Pipedream Toy Cleaner and warm water, or you can even put it in the dishwasher for added convenience after the fun.
