Product description

Elegant, pampered in detail and handmade. This luxurious line of glass massagers will leave you breathless.

Each glass icicle wand is elegant and unique, made for hard play.
Enjoy double the fun of this elegant double-sided glass massager.

Each end has a tapered tip for easy insertion, while its curve offers maximum stimulation to the G-spot or P-Spot.

- Insertable measurements: 13.0 x 3 cm
- 100% Phalatos Free.

Either end features unique textures - a bulbous head and a ribbed swirl - offering endless possibilities for pleasure!

Glass is hypoallergenic and body safe, and as long as used properly will last a lifetime.

We recommend wetting it with warm water or putting it in the microwave for a warmer feeling. You can also cool it with cold water or put it in the freezer for a cooling sensation.

Since glass is non-porous, cleaning is very easy. Use Pipedream Toy Cleaner and warm water, or you can even put it in the dishwasher for added convenience after the fun.
