### Product description

Elegant, pampered in detail and handmade. This luxurious line of glass massagers will leave you breathless.

Each glass icicle wand is elegant and unique, made for hard play.

- Insertable measurements: 13 x 3.5 cm
- 100% Phalatos Free.

Enjoy double the fun of this elegant double-sided glass massager. Each end has a tapered tip for easy insertion, while its curve offers maximum stimulation to the G-spot or P-Spot.

Either end features unique textures - a bulbous head and a ribbed swirl - offering endless possibilities for pleasure!

Glass is hypoallergenic and body safe, and as long as used properly will last a lifetime.

We recommend wetting it with warm water or putting it in the microwave for a warmer feeling.

You can also cool it with cold water or put it in the freezer for a cooling sensation.

Since glass is non-porous, cleaning is very easy. Use Pipedream Toy Cleaner and warm water, or you can even put it in the dishwasher for added convenience after the fun.
