## Product description

This elegant crystal wand features a graduated bead shaft, allowing you to comfortably ease into its size.

The bulbous texture is perfect for penetration, and cleverly curved for explosive G-spot and P-Spot stimulation.

- Insertable measurements: 9 x 2 cm
- 100% Phalatos Free.

Glass is hypoallergenic and body safe, and as long as used properly will last a lifetime.

We recommend wetting it with warm water or putting it in the microwave for a warmer feeling. You can also cool it with cold water or put it in the freezer for a cooling sensation.

Since glass is non-porous, cleaning is very easy. Use Pipedream Toy Cleaner and warm water, or you can even put it in the dishwasher for added convenience after the fun.
