Product description

ID Millennium is an ultra-durable lubricant Designed with silicone-based lubricant that lubricates completely with just a few drops. This product does not leave any sticky residue like other lubricants do.
Its glide is strong and durable, so it will even maintain this incredible glide while underwater.

It is safe to use a condom.
Millennium is appropriate for vaginal sex and is also excellent for massage.

Ingredients:
Cyclopentasiloxane, Dimethicone and Dimethiconol.

ID has been manufacturing personal lubricants since 1993 and are experts in the field. IDs quality lubricants are specially formulated to increase personal pleasure and comfort for a memorable intimate experience. Whether used alone or with or without condoms, ID lubricants are designed to reduce friction. When using condoms, proper lubrication helps prolong the integrity of the condom and increase overall stimulation.
