Product description

Newly formulated water-based ID Sensation is now a warm lubricant; With the same consistency as our best-selling ID Glide, ID Sensation creates gentle, warm stimulation and ignites passion in a single bottle.

Characteristics:

- **WATER-BASED HOT FORMULA:** Based on the same award-winning ID Glide formula, ID Sensation provides a gentle warming sensation for men, women and couples.
- **FORMULATED WITH NATURAL EXTRACTS:** Natural ingredients, Vanillyl Butyl Ether and Cinnamon combine to naturally respond to your body creating a feeling of warmth, which is perfect for those looking to spice things up.
- **NON-STAINING, EASY TO CLEAN:** Rinses off easily with just water making it perfect for easy use and cleaning!
- **Toy Friendly, Condom Compatible:** Compatible with silicone and rubber toys, natural rubber latex, polyurethane and polyisoprene condoms.

ID has been manufacturing personal lubricants since 1993 and are experts in the field. IDs quality lubricants are specially formulated to increase personal pleasure and comfort for a memorable intimate experience. Whether used alone or with or without condoms, ID lubricants are designed to reduce friction. When using condoms, proper lubrication helps prolong the integrity of the condom and increase overall stimulation.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
