Product description

ID Velvet uses only the highest purity silicone available. This luxurious product allows for superior pleasure for those who desire long-lasting, frictionless intimacy. ID Velvet is fragrance-free, latex-friendly, and the premium formula also works as a skin conditioner and moisturizer. Perfect for both prolonged sensual encounters and endless erotic massages.

Ingredients
Cyclopentasiloxane, Dimethicone and Dimethiconol.

ID has been manufacturing personal lubricants since 1993 and are experts in the field. IDs quality lubricants are specially formulated to increase personal pleasure and comfort for a memorable intimate experience. Whether used alone or with or without condoms, ID lubricants are designed to reduce friction. When using condoms, proper lubrication helps prolong the integrity of the condom and increase overall stimulation.
