Product description

Water-based, transparent, tasteless and odorless protective gel. Silky smooth, durable for long time use and safe to use with condom.
The protective gel has been designed for extremely long and intensive sessions, at high speed.

In a new formula that aims to reduce resistance derived from increased power and high temperatures.
ID Xtreme - designed to enhance the intimate experience, thanks to a unique formula and quality ingredients.
Designed for vaginal/anal use.

Storage:
It is always recommended to keep lubricants and preparations in general in a shaded place and at room temperature.
Be sure to close the lid to prevent leaks or entry of dust or anything else that could make the preparations unpleasant to the touch.

ID has been manufacturing personal lubricants since 1993 and are experts in the field. IDs quality lubricants are specially formulated to increase personal pleasure and comfort for a memorable intimate experience. Whether used alone or with or without condoms, ID lubricants are designed to reduce friction. When using condoms, proper lubrication helps prolong the integrity of the condom and increase overall stimulation.
