Product description

The **INTENSE** S-sized dildo vibrating anal plug is the perfect accessory for those who want to explore new sensations of pleasure with a sophisticated, discreet, and high-quality design. Made of high-end aluminum, this toy provides a precise and safe penetration experience, ideal for those looking for a compact yet powerful plug, perfect for beginners or those who prefer a smaller size. Additionally, the metal material offers the advantage of thermal stimulation, allowing you to experience cold or warm sensations according to your preferences, adding an extra dimension to the pleasure.

Equipped with 10 adjustable vibration modes, this vibrating plug allows you to experience everything from gentle pulsations to more intense vibrations, all with just a click of a button. With its included remote control, you can switch between different vibrations without interrupting your enjoyment, giving you total comfort and control for a more pleasurable and unrestricted experience.

The aluminum material is hypoallergenic, phthalate-free, and body-safe, ensuring that this plug is completely safe for internal use. Its smooth, polished surface makes for smooth, comfortable insertion, while its ergonomic design and 10 cm size make it ideal for those who want to experience precise, satisfying penetration without discomfort.

This vibrating anal plug is waterproof, making it the ideal companion for use in the shower or bath, allowing you to explore pleasure anytime, anywhere. Plus, its magnetic charger ensures that recharging is simple and cable-free. The remote control, powered by a AAA battery, gives you the freedom to adjust the vibrations without interruption.
