Product description

The **INTENSE** Large Vibrating Anal Plug is a must-have accessory for those seeking a more intense, sophisticated, and completely personalized anal pleasure experience. Made from high-quality aluminum, this vibrator not only offers a cool or warm sensation upon contact, but is also durable and long-lasting, allowing you to enjoy a long-lasting and elegant toy.

Equipped with 10 adjustable vibration modes, this plug lets you explore a wide range of sensations, from gentle pulsating to intense, continuous vibrations. Plus, its remote control allows you to adjust the vibration modes without interrupting your enjoyment, ensuring a comfortable and hassle-free experience.

The aluminum material is hypoallergenic, body-safe, and phthalate-free, making it a safe and reliable option for internal use. Its smooth, polished surface facilitates smooth and comfortable insertion, while its ergonomic design and ideal size make it perfect for those seeking deep and satisfying stimulation.

Thanks to its water resistance, the anal plug vibrator can be used in the shower or bath, adding an element of versatility to the experience. Plus, its magnetic charger allows for quick and safe recharging without the need for complicated cables. The remote control, powered by a AAA battery, offers complete convenience when switching between the different vibration modes.

With a total length of 10.1 cm, the L-sized plug is perfect for those who want a toy with greater penetration and stimulation without being excessive. This size is ideal for those with more experience in anal pleasure and who want more control over the intensity of the vibration.
