Product description

The **INTENSE** size M vibrating butt plug is the perfect companion for those who want to explore anal pleasure with a touch of sophistication, comfort, and total control. Made of high-quality aluminum, this vibrator combines durability, elegance, and a temperature sensation that can be customized for unique stimulation. The metal material allows you to experiment with temperature changes, from cool to warm, adding a new dimension to anal pleasure.

With 10 adjustable vibration modes, the vibrating butt plug offers a wide range of intensities and rhythms. From gentle, pulsating vibrations to powerful, steady ones, you can experience different sensations depending on your desire and comfort level. Its remote control makes switching between modes extremely easy and convenient, allowing you to enjoy the experience without interruptions.

The aluminum used in its manufacture is hypoallergenic, body-safe, and phthalate-free, ensuring completely safe and comfortable use. Its smooth, polished surface ensures smooth insertion, and its ergonomic design makes it ideal for both beginners and more experienced users of anal pleasure.

In addition, the M-sized vibrating anal plug is waterproof, allowing you to enjoy your experience in the shower, bath, or anywhere you want to explore new sensations. The magnetic charger makes it easy to recharge quickly and safely, while the AAA battery-powered remote control provides the convenience of changing vibration modes without interrupting the moment.

With a total length of 8.8 cm, this plug is ideal for those seeking deep and pleasurable stimulation, offering a perfect size for those who prefer a larger toy without being too big.
