Product description

The **INTENSE** size S vibrating anal plug is the perfect accessory for those looking to explore and enjoy new sensations safely, comfortably, and discreetly. This elegant plug is made of high-quality aluminum, which not only gives it a sophisticated aesthetic but also guarantees long-lasting durability and a cool or warm sensation, ideal for those who enjoy stimulation through temperature changes.

With 10 varied and powerful vibration modes, this anal vibrator allows for a completely customizable experience. From gentle, pulsating vibrations to powerful, continuous vibrations, you can adjust it to your desires, taking your pleasure to the next level. Plus, thanks to its remote control, handling is extremely easy and convenient, allowing you to switch between modes without having to interrupt your enjoyment.

The aluminum material is body-safe, hypoallergenic, and phthalate-free, ensuring this toy is completely safe for internal use. The plug's smooth, polished surface allows for smooth and comfortable insertion, while its compact and ergonomic design makes it perfect for both beginners and those more experienced in anal pleasure.

This waterproof vibrator is perfect for use in the shower or bath, giving you the freedom to enjoy your pleasurable moments anywhere. In addition, it has a magnetic charger, which makes recharging easier and safer, without the hassle of cables. The remote control is powered by a AAA battery, providing a continuous, uninterrupted experience.

With a length of 7.4 cm, this plug is ideal for those seeking comfortable yet deep penetration, making it perfect for those new to anal pleasure or those who prefer smaller toys.
