### Product description

Designed to offer a complete and deeply personalized pleasure experience, the **INTENSE** Britney vibrator is a jewel of modern erotic technology. This powerful rabbit vibrator stands out for its unique combination of advanced functions, premium materials, and ergonomic design, ideal for those seeking simultaneous internal and external stimulation without compromising comfort or intensity.

With three independent high-performance motors, the Britney is capable of generating intense and precise stimulation in both the clitoris and vaginal area. Its external stimulator offers 7 vibration modes dedicated to the clitoris, while the main shaft combines 10 internal double-pulsing modes with 7 clitoral oscillation modes, creating a deep, immersive experience that adapts to every body type and preference.

This vibrator is made with high-quality medical silicone and ABS, hypoallergenic materials that are soft to the touch and body-safe, and completely phthalate-free. The silky texture of the silicone provides a realistic and comfortable feel during use, facilitating pleasurable and fluid penetration.

In addition to its functionality, the Britney has been designed to accompany you in any environment: it is completely waterproof, ideal for enjoying it also in the shower or bath. Its magnetic charger ensures quick, convenient, and safe recharging, keeping it always ready for the next encounter.

With a total length of 23 cm and 13.5 cm insertable, its size is perfect for those looking for comfortable yet deep penetration, accompanied by firm and constant external stimulation thanks to its flexible and precise rabbit arm.
