Product description

You no longer need Tinder to have pleasurable sex alone or as a couple. Waterproof, powerful, with a soft texture that invites you to play to increase the pleasure of rubbing and equipped with two motors instead of one for unprecedented double stimulation, Bruno by Intense is the vibrator for couples with remote control that will bring you closer together. than a safari through the savanna.

Ergonomic and made of medical grade silicone, hypoallergenic and free of latex and phthalates, Bruno has been specifically designed to massage your G-spot and your clitoris at the same time. If you use it with a male partner, once you have inserted its narrowest part into your vagina, ask him to join the party.

Rechargeable, silent, you can control its 10 intense vibration patterns manually through its single button or remotely using its remote control (included).

How does Intense Bruno work?

To turn on your Bruno, press and hold the power button next to the brand logo for a couple of seconds. Press the same button again to change the vibration mode and hold it again for a couple of seconds to turn it off. Do you want to control it with the remote control? Press the on/off button on the remote control for five seconds until it starts to vibrate. Now, you will see that the remote control has 1 top button, press it to modify the vibration modes. We remind you that the remote control has an operating radius of up to 3 meters.

Always use Bruno by Intense with a water-based lubricant and wash it properly after each use with warm water and neutral soap.
