Because the Intense™Casanova is made of high-quality silicone, it is particularly flexible during use and adapts perfectly to the contours of the body. Thanks to the silicone, it allows vibrations to be transmitted to your hottest areas with a special intensity. To be able to enjoy it to the fullest, we recommend additionally using lubricants, such as Waterfeel, Aqua, Bioaqua or Black Hole lubricant, available in classic, silky and heat effect versions.

What other advantages does the vibrator have?

With its waterproof finish (IPX8), Intense™ Casanova will please you both under the shower and in the bathtub and is also easy to clean. For thorough disinfection before and after each use, use Waterfeel's Disinfectant Spray, so you can enjoy your new companion for a long time. If you ever find yourself out of breath, the built-in batteries can be recharged using the included USB charging cable.
