Product description

Immerse yourself in an immersive pleasure experience with the **Catherine Vibrator & Suction Masturbator**, a hyper-realistic toy designed to offer complete, enveloping, and technologically advanced stimulation. Its anatomical bust-shaped design, combined with intelligent vibration, suction, and sound functions, elevates the experience to a higher level.

Catherine is equipped with 10 vibration modes and adjustable suction modes, recreating rhythmic and intense stimulation, adapting to every preference. Its functions can be combined to enjoy different levels of pleasure, from gentle stimulation to a deep and powerful experience. In addition, it features innovative voice activation, responding to ambient sounds or the rhythm of movement, offering a more natural and exciting interaction. It includes moans in English, which can be played loudly through the built-in speakers or more discreetly via headphones for a personalized and immersive experience. Its textured interior has been designed with ridges and narrow openings that increase friction and pleasure with every movement, while its waterproof design allows you to enjoy it in the shower and makes cleaning after use easy.
