Product description

FRED is a rabbit vibrator designed for those seeking a complete pleasure experience, combining internal and external stimulation in a single device.

With its sophisticated blue color, FRED offers precise dual stimulation: the body of the vibrator is introduced to provide internal pleasure, while the rabbit ears are designed to stimulate the clitoris, providing an intense and immersive experience. With powerful vibration modes, this vibrator is ideal for exploring pleasure to its fullest extent.

FEATURES:

- **Rabbit design**, offering internal stimulation with the body of the vibrator and external stimulation of the clitoris, for a more complete and satisfying pleasure experience.
- **Multiple vibration modes** with various intensities and patterns, allowing you to customize your pleasure experience according to what you like best, from gentle to intense vibrations.
- **Vibrant blue color**, which gives it a modern and attractive touch, making this vibrator stand out for both its functionality and its design.
- **High quality silicone**, soft, hypoallergenic and safe for the body, ensuring a comfortable and pleasant user experience.
- **Powerful and silent motor**, which provides intense stimulation without generating annoying noises, allowing a discreet and pleasurable experience.
- **Waterproof (IPX7)**, allowing it to be used in the shower or bathtub, increasing its versatility. In addition, it is rechargeable by USB, making its charging more convenient and ecological.

Why choose FRED?
FRED is ideal for those looking for a vibrator that combines internal and external stimulation, providing a total pleasure experience. Its rabbit design provides the perfect dual stimulation, while its adjustable vibration modes allow you to explore different rhythms and intensity levels.

With **FRED from INTENSE**, you will enjoy a more intense, satisfying and enveloping pleasure experience. Are you ready to let yourself be carried away by the magic of FRED and experience a new dimension of pleasure?
