Product description

The **INTENSE** Jessica vibrator is a masterpiece of multifunctional pleasure, designed for those seeking deep, external and internal stimulation with the latest technology. This innovative model stands out for offering a complete experience thanks to its rotary licking clitoral stimulation, combined with internal oscillation and powerful vibration, all managed by 3 independent motors.

The clitoral stimulator has 7 rotary licking modes, delicately simulating the movement of a tongue for precise and irresistible stimulation. At the same time, its insertable shaft incorporates 7 internal oscillation modes, designed to massage and stimulate the vaginal walls in a rhythmic and enveloping way. Added to this are 7 vibration modes that run through the vibrator's body, enhancing each sensation to bring you to climax in a personalized way.

Made with silky-touch medical silicone and high-quality ABS, this vibrator is hypoallergenic, phthalate-free, and completely body-safe. Its smooth, ergonomic design facilitates a comfortable and pleasurable experience from the first contact. Plus, it's waterproof, allowing you to enjoy it in the shower or bath, and its magnetic charging makes it easy to recharge conveniently and hassle-free.

With a total length of 24.8 cm and 13.7 cm insertable, it offers perfect penetration, combined with precise external stimulation thanks to its flexible and technologically advanced arm. Its operation is intuitive and its functions adapt to every body, every moment, and every fantasy.
