Price	**50.06 £**
Number	**70138350**
Producer code	**FETISHID-234765**
EAN	**8435566040429**

Product description

The silicone Intense™ Julio combines double stimulation of your hot spots with sensual full-body massages: Both functions can be controlled separately. 2 motors ensure full power.

We don't know if the rabbit massager or vibrator existed first. But what we do know is... that Intense™ Julio will give you endless joy and cosmic orgasmic experiences. The vibrator has an attractive curvy and sporty design, and inside it has 2 powerful motors ready for you. The rabbit vibrator stimulates the G-spot and clitoris at the same time. The massage function can be enjoyed all over the body, but is most effective on sensitive areas. The 2 independently controllable motors each offer 12 vibration programs. A 24 cm long device that is flexible and adapts to your body.

- With its extra powerful suction cup you can adhere it to any surface. Intense™ Julio with powerful vibration motor.
- Compatible for use with harnesses

- 11cm insertable x 3.7cm diameter
- 3 engines
- IPX8 waterproof
- usb rechargeable
- Up to 30 combinable vibration modes
- Super Soft Silicone.
- Lithium Battery 3.7V/750 mAh

Because the Intense™Julio is made from high-quality silicone, it is particularly flexible during use and adapts perfectly to the contours of the body. Thanks to the silicone, it allows vibrations to be transmitted to your hottest areas with a special intensity. To be able to enjoy it to the fullest, we recommend additionally using lubricants, such as Waterfeel, Aqua, Bioaqua or Black Hole lubricant, available in classic, silky and heat effect versions.

What other advantages does the vibrator have?

With its waterproof finish (IPX7), Intense™ Jullio will please you both under the shower and in the bathtub and is also easy to clean. For thorough disinfection before and after each use, use Waterfeel's Disinfectant Spray, so you can enjoy your new companion for a long time. If you ever find yourself out of breath, the built-in batteries can be recharged using the included USB charging cable.
