Product description

Our Intense Luigi vibrator stimulates the clitoris and the G-spot at the same time using the vibrations of two powerful motors. The vibrator combines practical handling thanks to the ergonomic silicone handle with complete stimulation of the pleasure points.

Intense Luigi is a sex toy with double stimulation, G-Spot and Clitoris, it fully massages the entire vaginal area to enjoy, providing intense sensations.

Its shape is completely ergonomic and contains two powerful motors.

The New Generation of Intense is Luigi, it differs from other models by having a highly resistant lithium battery.

Intense Luigi is a very quiet vibrator, with double stimulation and a double motor so that the sensations are well distributed throughout the entire toy. Its texture is velvety and its vibrations can stimulate the area you prefer.

Its curved design allows you to caress the walls of the vagina, in case you want to insert it, while you caress the external area of the vulva with the vibration of its second motor, although you can also try it on any other part of your body that you like. like to play. Use your imagination to explore new sensations that you didn't know before!

It is made with liquid silicone, a body-friendly and very hygienic material. With 10 different vibration modes to discover, which you can alternate thanks to its easy-to-use control located at the bottom of the toy. It works with a lithium battery, which gives it autonomy for a long time of play.

- Magnetic USB Charging Cable
- 10 vibration programs

Intense stimulation with the Intense Luigi vibrator

This vibrator will take you to new heights with its multiple stimulation. The bunny vibrator has two powerful motors that will make you shake. The curved shaft shape and pointed end pamper the G-spot, while the clitoral stimulator with 3 nubs sensually massages the clitoris and labia. To achieve a new type of stimulation, the clitoris is stimulated from above thanks to the curved shape of the stimulator.

Practical handling for total pleasure

Because the Intense™ Luigi is made of high-quality silicone, it is particularly flexible during use and adapts perfectly to the contours of the body. Thanks to the silicone Flex technology, it allows vibrations to be transmitted to your hottest areas with a special intensity. To be able to enjoy it to the fullest, we recommend additionally using lubricants, such as Waterfeel, Aqua, Bioaqua or Black Hole lubricant, available in classic, silky and heat effect versions.

What other advantages does the vibrator have?

Thanks to its shape and ergonomics, it intensely stimulates the G-spot. Its waterproof finish (IPX6), Intense™ Luigi will please you both under the shower and in the bathtub and is also easy to clean. For thorough disinfection before and after each use, use Waterfeel's Disinfectant Spray, so you can enjoy your new companion for a long time. If you ever find yourself out of breath, the built-in batteries can be recharged using the included USB charging cable.
