Product description

Immerse yourself in a world of pleasure with **Meryl**, the dual-vibration clitoral stimulator from **Intense**, an elegant and powerful toy designed to offer a unique sensory experience. Thanks to its dual motor and ergonomic shape, it simultaneously stimulates the clitoris and G-spot, generating waves of pleasure that will envelop you from the first use.

Meryl stands out for its intelligent design, designed to adapt perfectly to the female anatomy. Its curved shape precisely reaches the G-spot, while its external end caresses and stimulates the clitoris with deep, rhythmic vibrations. This combination turns every moment into an intense, immersive, and completely personalized experience.

It features 10 vibration modes on both sides, which you can easily adjust to enjoy everything from gentle caresses to powerful pulsations. The two powerful motors work together or independently depending on the mode selected, allowing you to explore different intensities and sensations until you find your ideal rhythm.
