## **Product description**

Release your wild side and enjoy unusual pleasure with Intense™ Anal Plugs Sets. This bold set of butt plugs is made for a great time with the bright tie-dye design, rounded conical probe, and versatile suction cup base for extra fun play. The silicone probe gradually increases in circumference to allow you to enjoy satisfying play with a diameter from 2.7cm to 4cm.

The Intense<sup> $\top$ </sup> sex toy is a set of anal plugs with which you will not be left indifferent. It is large and small enough to be the ideal size for anal stimulation. With its spherical butt end, Intense<sup> $\top$ </sup> anal plugs have been designed specifically as an anal plug, although they can also be used vaginally. Use Intense<sup> $\top$ </sup> anal plugs your way and explore new sensations.

Its main characteristic is a very soft touch and thanks to the printed silicone manufacturing. In addition, its ergonomic shape facilitates dilation, which is especially practical in the case of anal play.

#### Measures;

- 1. Anal plug size S; 7cm length x 2.7cm diameter
- 2. Anal plug size M; 8cm length x 3.5cm diameter
- 3. Anal plug size L; 9 cm length x 4 cm diameter.

Intense<sup>™</sup> anal plug sets recommends the use of water-based lubricants, such as Aqua<sup>™</sup>, BioAqua<sup>™</sup>, Coquette<sup>™</sup> or Waterfeel<sup>™</sup> for easy use and insertion of all silicone products. Do not use silicone-based lubricants, oils or creams with silicone products as they can degrade the material, limiting its operation and useful life.

#### Cleaning

• Thoroughly clean the toy before and after each use with warm water and neutral soap.

### Storage

• Store the Intense™ anal plug sets in a dust-free place and keep it out of contact with other toys made of different materials TPR, PVC jelly, etc. Avoid exposing it to sunlight and extremely high temperatures.
