Product description

Explore new dimensions of pleasure with **STELLA**, the elegant vertical thrusting toy from **INTENSE**, designed to offer intense, rhythmic and deeply satisfying stimulation. Thanks to its advanced vertical movement technology, **STELLA** recreates realistic penetration with precision and power. Rhythmic penetration with total control, with its automatic thrusting system, **STELLA** takes the intimate experience to another level. Perfect for those looking for a sophisticated first toy or for advanced users who desire deep, realistic stimulation.

FEATURES:

- 10 Vertical Thrusting Modes: The internal mechanism provides forward and reverse thrusting, simulating natural penetration, customized to your rhythm.
- Super Soft Silicone and High-Quality ABS: Body-safe material with a silky feel that provides a pleasurable and comfortable experience.
- Ergonomic and Discreet Design: At 145 mm long and 37 mm wide, it perfectly adapts to the female anatomy and is easy to handle.
- Magnetic USB charger: Convenient and hassle-free charging.
- 90-minute battery life: Extended usage time for uninterrupted enjoyment.
- Completely waterproof: Ideal for use in the shower or bath for convenient and safe cleaning.
