### Product description

The **SYMONE** vibrating bullet from **INTENSE** is a compact and discreet toy, ideal for precise and pleasurable stimulation. Designed to provide a comfortable and safe user experience, it features high-quality materials and a powerful motor that guarantees intense sensations. Available in three vibrant colors, this vibrating bullet is perfect for those looking for discretion without sacrificing power.

#### Features:

- **Dimensions:** Length: 10 cm, diameter: 2.2 cm
- **Material:** Super soft, hypoallergenic and body-safe silicone. Free of phthalates and other toxic substances, for a safe and comfortable experience.
- **Motor:** 1 powerful motor that offers intense vibration, ideal for stimulating erogenous zones.
- **Vibration modes:** 8 different vibration patterns, to adapt to individual preferences and needs.
- **Power source:** USB rechargeable, eliminating the need for disposable batteries and allowing for more environmentally friendly use. Equipped with a protective cap that covers the USB port, keeping it clean and protected when not in use.
- **Available colors:** Purple, pink and red, so you can choose the color that you like the most or that best suits your style.
- **Use and resistance:** Submersible, allowing its use in the shower or bathtub and facilitating a deeper cleaning. Easy to clean, simply use water and neutral soap or a special toy cleaner.
- **Design:** Its compact and elegant design makes it ideal for travel or for those who prefer discreet and easy-to-handle toys.

The **SYMONE** by **INTENSE** is a compact, powerful and easy-to-use vibrating bullet. Its ergonomic design, combined with its powerful motor and different vibration patterns, make it an excellent choice for both beginners and experienced users.
