Product description

Illuminate your most intimate moments with the Intense remote-controlled, LED-lit vibrating metal anal plug, a jewel of pleasure that combines elegance, power, and technology in a single device. Designed to offer intense and visually appealing anal stimulation, this plug turns every experience into a perfect blend of sensuality, sophistication, and fun.

Made of high-quality metal, the plug provides a firm and pleasurable sensation, transmitting the characteristic coldness of the material that, upon contact with the skin, intensifies the sensations. Plus, its solid structure allows for precise and deep anal stimulation, ideal for both beginners and more experienced users looking for a different kind of experience.

Equipped with a high-performance vibrating motor, the Intense LED plug offers 10 vibration modes that vary in pace and intensity, allowing you to adapt the experience to your personal preferences. The vibrations are easily controlled thanks to its wireless remote control, allowing you to enjoy pleasure comfortably, alone or with a partner, adding a touch of play and intimacy.

The base of the plug includes a system of multicolored LED lights, which illuminate to the rhythm of the vibration, creating a visual spectacle that is as provocative as it is exciting. This detail makes it not only a functional accessory, but also an aesthetically appealing one, ideal for those who enjoy visual sensuality.
