Product description

Intymate Puro Siliconeis an ultra-soft silicone-based lubricant ideal for improving lubrication during intimate relationships. Pure Silicone lubricant is ideal for enjoying anal intercourse. Its formula provides maximum hydration, prolonged lubrication and a pleasant sensation on the skin without being sticky.

FEATURES:

- How to use: Apply the desired amount to intimate areas.
- External use.
- Latex compatible.
- Dermatologically Tested.
- Warnings: Do not use on broken or irritated skin.

Silicone-based lubricants are known for their durability, water resistance, ability to operate in a wide range of temperatures, and versatility in various applications. Their stable chemical composition and ability to reduce friction make them valuable in industrial and consumer environments.

One of the main advantages of silicone lubricants is their durability. They are capable of providing long-lasting lubrication without the need to constantly apply more product. This makes them an excellent choice for applications requiring long-term lubrication.
