Product description

Luxuria Feel Fragrance Coconut & Melon is a water-based intimate lubricant specifically formulated for vaginal or anal moisturization of lubrication before intercourse. In order to guarantee the excellent lubricating properties of our products, we do not use food flavourings in the production process as these often have a negative effect on the fluidity of the end products. We preferred to use natural fragrances.

For this reason we recommend against using the product as a foodstuff.

Flavor Guide

Flavored Lube Guide

Use flavored lube for oral sex, hand jobs, or playful body painting. They taste pleasant but are not as long-lasting as unflavored lubes.

Our flavored lubes are paraben-free, glycerin-free, and made with natural sweeteners (stevia, erythritol).
