Product description

Intimichic Pelvis Health I 2.0 is the new silky soft ball with a greater silicone thickness

Intimichic Pelvis Health I 2.0 ; Based on the performance of Kegel exercises, developed by Dr. Arnold Kegel, they are a series of vaginal contractions and relaxations that strengthen the Pubococcygeus (PC) muscle and the pelvic floor muscle group by gradually increasing weights.

- Front part; Thin, soft and fine for easy insertion
- Central part; It adapts to the vaginal wall without causing internal friction.
- Back; At an angle, so that it is comfortable when the muscles contract.

Intimichic Pelvis Health I 2.0 is covered in high-quality silicone, hypoallergenic, phthalate-free and very soft to the touch. **Intimichic Pelvis Health I** with an ergonomic design adapted to the needs of each woman.

- **Intimichic Pelvis Health I weight 15 grams**
- **Intimichic Pelvis Health I** + ball diameter 22 mm weight 35 grams

Kegel Guide

Benefits of Kegel Training

Stronger pelvic floor muscles improve bladder control, enhance sexual sensation (for both partners), and speed postpartum recovery.

Most users notice improvements within 4-6 weeks of regular (daily) use.
