Product description

Dura Max is an advanced and powerful spray specially designed to offer men the possibility of enjoying significantly longer periods of pleasure. Thanks to its new and exclusive formula, it has been carefully developed to help prolong male erection and delay ejaculation, thus allowing more time to enjoy intimate moments and better performance during intercourse. This not only improves the sexual experience, but also increases self-confidence, promoting greater connection and satisfaction with your partner.

This revolutionary product comes in a convenient and practical 12 ml spray bottle, ideal for taking with you anywhere without any problems. Its discreet format makes it quick and easy to apply, providing a pleasant and effective experience without complications.

How to use: For best results, it is recommended to apply 3 sprays directly to the intimate area before sexual intercourse. Then, gently massage until the product is absorbed and its effects begin to be felt.
