Product description

This exquisite edible gel has been carefully formulated to add a touch of sensuality and pleasure to your intimate moments. Its delicious watermelon flavour, combined with a warm effect that stimulates the senses, turns every experience into something unique and pleasurable. This gel is specifically designed to enhance enjoyment during foreplay and oral sex, making intimate moments sweeter, more passionate and more memorable.

In addition to being perfect for foreplay and oral sex, this gel is completely safe to use during penetration, offering a warm and smooth sensation that increases the pleasure of both. It is compatible with the use of condoms and sex toys, so you can enjoy it with complete peace of mind, knowing that it is safe and suitable for different types of intimate encounters.

Gel Features:

- **Edible:** Enjoy its flavor without worries, ideal for oral sex.
- **WATERMELON Flavour:** The delicate and sweet peach flavour adds an irresistible touch.
- **Warming Effect:** When applying the gel, you will feel a pleasant sensation of heat that intensifies the pleasure.
- **Compatible with Toys and Condoms:** It can be used without problems with condoms and sex toys, allowing for a versatile and safe experience.

With this edible gel, you can explore new sensations and enrich your moments of intimacy, adding a touch of warmth and flavor that will enhance the connection and mutual pleasure.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
