### Product description

INTT Vibration Cannabis is a powerful stimulating gel specially designed to provide vibrant sensations in the intimate area.

It is a liquid vibrator that is applied to the intimate area, either on the vulva/clitoris or on the penis/glans, and provides very intense sensations. Vibration Cannabis also adds flavor/aroma to the Cannabis mix. Totally suitable for penetration, masturbation and thanks to its refreshing Cannabis aroma and flavor, it makes it very pleasant to be kissable, thus improving the practice of oral sex and opening up a wide range of game possibilities.

A small amount should be applied to the intimate area and the product gently massaged.

It comes in a comfortable and practical container with a 15 ml dispenser.
