Product description

INTT's Brazilian Panty Red is a sensual lingerie pack with pearls accompanied by a strawberry-flavored water-based gel.

It is a most exquisite and sophisticated pack, made up of fine red lace lingerie with an exclusive pearl ring that crosses the intimate area. The pearls surround the area of the vulva, settling between the lips, and reach the clitoris, providing many more stimuli in erotic moments. The thong is tied on the sides, leaning on the hips through little bows, in such a way that the sizes range from S to XL, thus adapting to a large number of bodies.

It is accompanied by a water-based lubricant with a sweet strawberry aroma/flavor, compatible with erotic toys and ideal for facilitating friction and sliding with the pearls.

It comes in a light and small container of 50 ml.
