Product description

Discover the new Cassian from Jamyjob™, the most compact and pleasurable masturbator to date. Watch every moment of contentment with the all-black case and sleeve. Equipped with a sinuous texture simulating small mountains, Cassian lends itself to a visibly imposing experience.

- Powerful vibration with 3 speeds and 7 functions.
- Easy to clean
- Magnetic Charger
- Submersible IPX7 category
- Free of Phalatos
- Lithium Battery 3.7V/750 mAh
- **Measurements**: Length: 11 cm / Width: 8.5 cm / Insertable length: 10.5 cm / Opening diameter: 3.5 cm

Jamyjob™ Cassian is less than half the size of any masturbator. It is unique thanks to its two holes at the ends, and Jamyjob™ Cassian can be used as an additional stimulator during oral sex, or as a masturbation toy. Penetrate either extreme and fly to climax until you land where you want. Thanks to the open sleeve of this Jamyjob™ variant, you can be sure that cleaning will be a breeze. Simply remove the sleeve from its compact clear case after use and rinse under warm water. We also recommend our Waterfeel Toycleaner cleaning fluid.

- Allow your Jamyjob™ Cassian to dry before returning it to its case.

What other advantages does the vibrator have?

With its waterproof finish (IPX7), Cassian by Jamyjob™ will please you both in the shower and in the bathtub, and it is also easy to clean. For a thorough disinfection before and after each use, use the Waterfeel Disinfectant Spray, and in this way you can enjoy your new companion for a long time. If you ever run out of breath, the built-in batteries can be recharged using the included USB charging cable
