Product description

Enjoy a completely new experience. The innovative TENSEK 5 model joins the JAMYJOB line of masturbators and features a unique all-black design with easy grip.

Each part of TENSEK 5 is made up of numerous suction lines and caressing bumps that will pamper you every time you put the best part of your body in and out. The flexible walls conform to the penis and further enhance the sensual experience.

The TENSEK 5 model includes an easy-grip handle to facilitate the movement of masturbation.

As always, JAMYJOB is designed to put energy in your hands and achieve perfect stimulation.

The use of water-based lubricants is highly recommended for an intense orgasm. We recommend the AQUA or WATERFEEL brands.

- How do I clean my TENSEK masturbator?

The soft TPE ULTRASKYN material makes the masturbator easy to clean. For a superficial cleaning, it is sufficient to use warm water and a mild soap. Next, wet the sleeve with a disinfectant spray, such as Waterfeel Spray Disinfectant!
