Product description

Who said there are no good toys for men? With **Jamyjob's Milker** the limit is set by you or... as far as it allows you to go!

Its strong suction cup means that you can adhere it to any flat surface and will allow you to enjoy your own experience of pleasure without hands since its Up and down function will do the rest. Apply some water-based lubricant (Jamyjob recommends the use of **Aqua Quality** lubricants for an effective and long-lasting glide) and slide down its soft textured inner sleeve. Now it only remains to choose between its 5 patterns and 3 intensities powered by its powerful state-of-the-art motor and let Milker do it all for you.

But this is not all, **Milker** keeps one last surprise, put on a headset and activate the sound function to add even more realism.
