Product description

According to the latest studies on male masturbation, we can extract interesting data that tell us about the importance and incidence in the own men, being corroborated in the results of this macro-survey.

As an interesting fact, we could reveal that each man martubates on average 156 times a year, it means, around 3 times a week or, for example, the places where they do it are 30% in the shower, 22% in the bathroom, 30% in the bedroom, and the remaining 18% in other places such as work (around 1%)

In Jamyjob we have always had knowledge of both the benefits that male masturbation causes and the importance in the own men being evident in the indicated data, that is why we have been developing for years toys that manage to improve and optimize this habit so pleasant but common at the same time.

With this double-entry masturbator, you will fully achieve our pleasant goal, since its removable sleeve of easy cleaning, adapts to the body temperature and its inner channel is textured turning the experience into 100% realistic, as if it were real sex. You will only have to apply a little water-based lubricant, (Jamyjob recommends the use of Waterfeel lubricants for optimal lubrication) and choose what you prefer if delicious vagina or an exquisite anus, it's your decision!
