MATERIAL AND CARE

Jamyjob is a waterproof toy made from silky soft medical silicone, which is extremely slippery and absorbs heat from your body quickly. The toy can be easily cleaned with a little soap under warm water. With a little bit of disinfectant toy cleaner, you can ensure especially thorough hygiene afterwards, ideally with Waterfeel's perfectly coordinated disinfection spray. For maximum pleasure, always use your toy with one of Waterfeel's water-based lubricants that is perfectly matched to the product. They are available in classic, silky and warm versions. The vegan water-based composition protects the material and keeps the surface of your toy nice and soft.
